All Cocktails \$22

In the spirit of the traditional roaring 1920's cocktails we love, our cocktails contain two standard drinks with a contemporary flavour twist that makes them uniquely Nubilum.

Rum Stories

Pineapple Fizz

Rum, Pineapple Juice & Lime.
Bubbly & fruity; top of the list for a reason.

Mostly a Mojito

Rum, Lime juice, Mint & Ginger Ale.
A camping favourite.

Not-quite-negroni

Rum, Sweet Vermouth & Aperol.
For those never really felt the Negroni trend was for them.

Our Stories

Pear Margarita

Pear rakia, triple sec & lime juice.
A fruity take on a founder favourite. The best way to experience it - try it!

French Martooni

A french martini with pear rakia.
Tangy & sweet, best paired with rambling conversations.

Gin Stories

Martini

Gin & Vermouth. Ask for it dirty if that's your thing.
A lockdown favourite, we'll also do a Gibson.

Floradonna

Gin, Chambord & Lime.
Our take on a Floradora, think Great Gatsby.
